

Flat Pakka

The Flat Pakka is a light weight flat pack litter bin perfect for outdoor events such as concerts, school fetes, sports days and any kind of outdoor occasion.

The bin is made from ultra-strong but light weight corrugated polyethylene and can be ready for use within 60 seconds. The Flat Pakka is easy to transport and store, making it the most cost effective and versatile bin available. The wipe down surface is weather proof and extremely durable

Supplied in packs of 10.
