## **Bulls Eye Gum Disposal Bin**

**Product Code: WYBULLSEYE** 

Height	360mm
Width	200mm
Depth	102mm
Capacity	2.8 Litres
Weight	3 kg
Construction Material	Galvanised Steel

The Bulls Eye chewing gum disposal bin is perfect for use in schools, colleges and universities and the high street as it gives people a designated bin in which they can dispose of their chewing gum.

The bin features a hinged, lockable drop down door and a 'Chewing Gum' vinyl sticker to the front of the unit clearly indicates what is being collected inside the bin.

The bin is manufactured from galvanised steel and is powder coated in one of our standard RAL colours.

## **Colours**

The Tabtidy bins are powder coated in one of our standard colours free of charge. If you require a colour that is not among our standard colours, please contact us a s more colours may be available upon request

Please note these colours offer an approximation only and should not be used as an exact match.
