

Easi-Cycle Office Bins

Product Code: BSWYWH

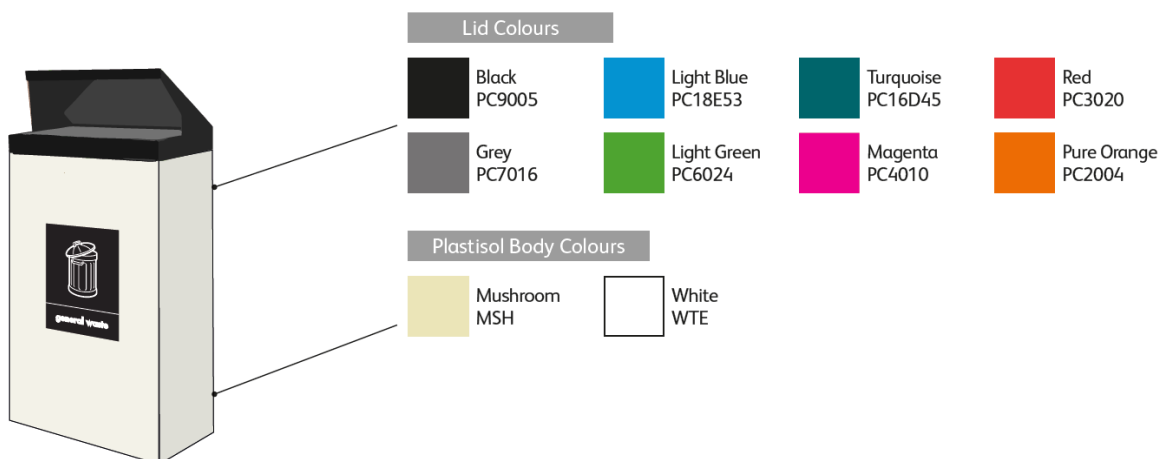

The Easi-Cycle is an office recycling bin available with either an 80 or 98 litre capacity and comes with a lift-off sack retaining hooded lid powder coated in a colour of your choice to suit your recycling stream. The body of the unit is manufactured from plastisol (PVC coated steel) and is finished in either white or mushroom.

A full range of waste recycling artwork is available to match your lid choice (as shown in the image). The artwork is applied to the front of the bin and clearly indicates the waste stream is being collected.
