

Kingfisher

Direct Ltd

Name:	Triple Trolley Platform Truck
Length	826mm
Width	521mm

The triple trolley has been designed so as to have a handle that fits into 3 positions to ensure optimum handling no matter what the load may be. This item is manufactured from tough and durable polyethylene.

The wide, easy to load deck is perfectly stable when transporting goods whilst the robust construction does not dent or rust.

When the handle is folded flat the deck can be used as a dolly.

Large non-marking casters give greater stability over all surfaces.

The cut away sections in the deck provide hand holds for easier carrying when folded flat.

Provided with 2 swivel and 2 rigid castors.

Stock Code: RM-FG440100
