Width (mm)	915

The Derby double litter bin offers all the benefits of the Derby standard litter bin but with twice the capacity. This makes it ideal for areas that create a large amount of litter, such as high streets, stadiums, schools etc.

The bin is supplied with 2x 120 litre galvanised steel liners and these are accessed by a door at each end of the bin. The bin and doors are manufactured from 2mm steel and has 'LITTER' laser cut beneath each aperture. The bin has 6 apertures giving full 360 degree access to the bin. The doors feature a slam lock mechanism.

Three gold vinyl tape bands are fitted as standard and also a vinyl Tidyman logo is fitted to four sides.
