

Kingfisher Direct Ltd

Capacity (Litres)	90
Construction Material	Steel
Height (mm)	1020
Depth (mm)	410
Width (mm)	535

The Derby range of litter bins are widely used throughout the United Kingdom and are a popular choice with councils and local authorities.

The Slimline Derby litter bin has been in manufacture for over 25 years and remains as popular now as it did when first launched. The Derby range features a virtually indestructible door hinge system that has ensured not a single door has been forcibly removed from the bin.

Features:

90 Litre capacity

Manufactured from 2mm steel with a heavy duty front opening door

4 apertures give 360 degree access

'LITTER' text is laser cut beneath each aperture with gold backing plate

3 gold vinyl bands as standard

Vinyl Tidyman logo applied to two sides

Galvanised 0.7mm steel liner with safety edge and handle

Heavy duty steel base

Powder galvanised prime and polyester powder coated finish

Stainless steel key hole protectors

Slimline design gives a narrow profile but not at the expense of capacity

Dimensions:

Height: 1020mm

Width: 535mm

Depth: 410mm

Available options:

Pyramid top - The pyramid top is designed to discourage anti-social behaviour by preventing people from sitting on the bin or leaving rubbish on top.

Stubbing plate - Encourages smokers to stub out their cigarette ends before disposing of them

Stirling ashtray - The ashtray option gives smokers somewhere to correctly dispose of cigarette ends.
