1100 Litre Standard Wheeled Bin

Wheelie Bins made from Polyethylene to EU standards EN840

- Easily cleaned Wheelie Bins that are resistant to Acid and Alkaline solutions, Fungi, bacteria and washing materials
- The Wheelie Bins in this range have 200mm wheels, two of which are braked and swivel 360 degrees
- All wheelie bins can be used by standard DIN and AFNOR lifting equipment

Available with either a round top or flat top.

Wholesale wheelie or wheeled waste and recycling bins from us, we are able to supply either single bins or bins in virtually unlimited quantities

Our range covers both two and four wheeled models of bin each complimented with a further fantastic range of tailored features and options. Please call to discuss your requirements.

From general, domestic, home waste and refuse wheelie bins, to larger sized trade and commercial waste bins or containers, we can supply you with the best wholesale prices in the UK.

Wheelie waste and recycling bins start with 120Litre bins going up to 360 Litres bins within the two wheeled bin range and then from 660 Litres up to a massive 1100 Litres for the larger four wheeled bins or containers and our Value Wheelie Bins are the best option if you only require to purchase a single bin.

We honestly believe we are able to offer you the best prices, savings and discounts across all types and specification of wheeled waste and recycling bins. And finally, we hope everyone knows what we mean by a wheelie bin, some people still use the term dustbin. We do sell dustbins, although most people don't use them as dustbins these days. Garbage Bins, Refuse Bins, Wheelie Bins, Wheeled Bins, Wheeled Waste Containers, Commercial Waste, Euro bins, Bins and Rubbish Bins are also terms that are used. Our Wheelie Bins are the lowest price, but still top quality.

Lead time varies depending on options and quantity.
