The BinPin is a new product that enables wheelie bins to be connected together or to a fixed point and therefore securing your bins from theft or from being moved without your permission.

Features:

Supplied with two keys

Strong, durable and flexible

For use with 120, 240 and 360 litre wheelie bins

Weatherproof

Vandal resistant

Makes wheelie bins more stable during strong winds

Makes wheelie bins more difficult to steal

Ideal for locations with a large number of wheelie bins
