

Kingfisher

Direct Ltd

Capacity (Litres)	60
Construction Material	Cardboard
Height (mm)	700
Width (mm)	280

The need to recycle is becoming more and more apparent and the Combin recycling bins are the ideal solution. Each pack of 5 bins comes with 25 pictogram sticker for different waste streams (5 each of general waste, mixed recycling, plastic bottles, cans and paper).

Manufactured in the UK from corrugated cardboard for the base which helps to keep cost down but is also strong and durable. The corrugated plastic lid prolongs the life of the bin and resists liquids.

Dimensions:

Height: 700mm

Width: 280mm

Capacity: 60 Litres

The Combin is supplied in packs of 5 and enables you to start recycling with out high costs. Only £8.00 per bin.
