

# Heavy Duty Steel Dog Waste

Product code: BS-WYB-MDB

The MDB free standing dog waste bin has been designed to ensure there are no sharp corners on the bin making it ideal for locations such as parks and green spaces.

The bin is manufactured from 2mm galvanised steel and features a lift up, one way chute system with galvanised steel liner for ease of use. A dog lead hook is also a standard feature and each bin is supplied with a 'Clean it up' vinyl sticker on the front. For quick and easy emptying, a front opening door allows quick access to the galvanised liner inside.

The bin is available in a choice of three standard colours; red, dark green and black and in a choice of three sizes, 60, 90 and 112 litres.
