

Mini Cyclo

Mini Cyclo

Product Code: BS-WY-MC1

Mini Cyclo Dual

Product Code: BS-WY-MCD1

The Mini Cyclo is a new style of bin unlike anything else and features a glass fibre composite (GFC) body with a glass reinforced plastic (GRP) door. A rounded roof section helps deter anti-social behaviour by discouraging people from sitting on the bin or placing litter on top of the bin.

The GFC body is available with a choice of two finishes and in a choice of colour. The textured finish uses PTX textured paint to give a rough finish not too dissimilar to sand paper and has been designed to prevent unwanted posters and graffiti being applied to the bin. The smooth finish has a slight texture with no roughness.

A hinged, front opening door gives quick and easy access to the galvanised steel liner inside. The door is available in a choice of colours and has a smooth finish as standard, however the door is available with anti-fly poster dimples as shown in the image.

As standard the door is fitted with a budget lock, however the option to upgrade to a slam lock is available. Slam lock is a stainless steel lock which is easily opened using a square T key and closes with a push of the door against a spring loaded boss.

Dimensions	Mini Cyclo	Mini Cyclo Dual
Height	990mm	1000mm
Width	480mm	895mm
Depth	490mm	430mm
Capacity	112 Litres	224 Litres
Weight	45 kg	54 kg

Colours & Finishes

The GFC body is available with a choice of two finishes and in a choice of colour.

Textured Finish - Uses PTX textured paint to give a rough finish not too dissimilar to sand paper and designed to prevent unwanted graffiti and posters being applied to the bin.

Smooth Finish - Uses a smoother pseudo-cast iron finish with only a slight texture and no roughness.

Smoking Options

Stainless Steel Stubber Plate

Designed to encourage smokers to use it to stub out their cigarettes and cigars instead of using the bin and leaving unsightly marks on it.

Easyfit Ashtray

The circular Easyfit ashtray is factory fitted and features a spring loaded butterfly bottom for quick emptying into the liner below.

Standard Ashtray

The Standard ashtray is factory fitted and features a counter-balance emptying system with a recessed drop area for cigarette and cigar butts.

Both ashtray options are available in gold or silver and can be optioned with the stubber plate

Ground Fixing Options

The bin is supplied as standard to be free standing, however for protection against theft and vandalism, the bin can be securely fixed to the ground using the following fixings

Set of 4 RAWL Bolts

The Middlesbrough litter bins are supplied with a pre-drilled base allowing secure ground fixing using RAWL bolts.

Ground Anchor Feet

Ground Anchor Feet enable a bin to be sited into freshly laid concrete. The feet are supplied loose with the bin and bolt to the bottom of a bin. Once the concrete cures the bin is secured in place.

Optional Artwork

A4 (210 x 297mm) vinyl stickers positioned on the front of the body to make your waste stream visible.
