

Wall Mountable Bench

Product Code: TBWB

The Wall Mountable Bench is ideal for use in schools and other locations where space is at a premium.

The bench is manufactured from recyclable polyethylene, a very tough and durable material meaning the seat can be located outside with very little maintenance required. The seat is also UV stabilised and will never rust or corrode.

The seating slats are available in black only and are manufactured from 100% recycled material.

Each bench is supplied with bolts for fixing to a wall.
