

Universal Open Top Recycling Bin

Product Code: TBUNORB

Height	940mm
Diameter	390mm
Capacity	52 Litres

The Universal open top recycling bin is ideal for a wide range of locations such as schools, colleges, offices and places of work. The Universal bin features environmental graphics displaying the recyclable waste stream that you are collecting inside the bin.

The bin is manufactured from recyclable polyethylene making it suitable for indoor and outdoor use. Polyethylene is a very tough and durable material meaning the bin can be located outside with very little maintenance required. The bin is also UV stabilised and will never rust or corrode.

The bin can be free standing or to prevent the bin being moved or stolen, the bin can be securely fixed to the ground using the optional ground fixing bolts.
