

# Osprey Litter Bins

**Product Code:** MESWOSPOP

**Product Code:** MESWOSPREF

The Osprey litter bin is available in two versions and features an attractive design.

The bins are manufactured from tough and durable, UV resistant Polyethylene, allowing the bin to be located outdoors with very little maintenance required. Each bin is supplied with a choice of either a galvanised metal or plastic liner.

The Osprey bin has been designed to be fixed either to a wall or to a post. An optional 2 metre high, 3" diameter post is available along with jubilee clips to secure the bin to the post.

Dimensions: - Height: 530/730mm - Diameter: 390mm - Capacity: 40 Litres

# Colour Choices

The Osprey litter bin is available in a choice of 9 standard colours.

Beige

Black

Blue

Brown

Burgundy

Dark Green

Light Green

Red

Yellow

Please note the above colours offer an approximation only and should not be used as an exact match

# Fixing Instructions

The Osprey litter bin can be securely fixed to either a post or wall.

## Fixing to a Post

1] Locate holes at back of bin.

2] Thread Jubilee clip through one hole.

3] Thread through second hole.

4] Wrap around post.

5] Tighten using Screwdriver.

Optional Fixing Post

Optional Jubilee Clips

## Fixing to a Wall

1] Locate holes at back of bin.

2] Using the two holes as a guide, drill into the wall.

3] Secure the bin to the wall using a plug and screw.

Plugs & Screws not supplied.
