

# KINGFISHER DIRECT LTD

## FFP Flexible Polypropylene Tank Lining

<b>Colour</b>	Gloss Black
<b>Abrasion resistance</b>	Very Good
<b>Chemical resistance</b>	Excellent
<b>Cut through resistance</b>	Excellent
<b>Flexibility</b>	Semi-Flexible
<b>Temperature resistance</b>	Good
<b>UV Resistance</b>	Excellent
<b>Repair with....</b>	Heat welding

### Advantages:

- Excellent chemical and temperature resistance
- Superior UV resistance
- Excellent mechanical properties
- Repair using heat - no adhesives required

### Disadvantages:

- Not suitable for drinking water applications
- Semi rigid so difficult to fold resulting in large package
